Third-Party Defendants.

I, ELVIRA HIRSCH, declare:

1. I am the Vice-President of Hirsch Presentation Systems, USA, Inc. ("Hirsch USA") the defendant and third-party plaintiff in this action. I have personal knowledge of each fact stated in this declaration and, if called upon, could and would competently testify thereto.
2. Hirsch USA is in the business of selling customized marketing materials, which are manufactured in China, to clients in the United States.
3. Hirsch Bracelet (HK) Ltd. ("Hirsch HK") is a Hong Kong Private Limited Company and from approximately 2002 to May 2007 acted as Hirsch USA's sole purchasing and manufacturing agent in Hong Kong, overseeing all aspects of the design, implementation, manufacture and shipment of the customized marketing materials to the United States.
4. In fact, from January 2005 to May 2007, Hirsch USA placed over 400 orders with Hirsch HK, all of which Hirsch HK knew were to be shipped to various locations in the United States. These orders totaled over \$1.2 million in sales for Hirsch HK.
5. In approximately March 2007, The Direct Response Resource, Inc. ("DRR"), the plaintiff in this action, ordered 15,000 Liquid Filled Notebooks from Hirsch USA. As usual, Hirsch USA subsequently entered into an agreement with Hirsch HK in which Hirsch HK agreed to design, manufacture and ship 15,000 Liquid Filled Notebooks to Hirsch USA's client, DRR in Illinois, in exchange for monetary consideration.
6. On March 30, 2007, Hirsch USA asked Hirsch HK to ship the pre-production sample of the Liquid Filled Notebooks directly to DRR in Illinois. Attached as Exhibit 1 is a true and correct copy of the March 30, 2007 email from Hirsch USA to Hirsch HK providing Hirsch HK with DRR's Illinois address.
7. On April 6, 2007, Hirsch HK directly shipped the second pre-production sample of the Liquid Filled Notebooks to DRR in Illinois. Attached as Exhibit 2 is a true and correct copy of the April 6, 2007 email from Hirsch HK to Hirsch USA confirming delivery of the pre-production sample to DRR in Illinois.
8. On April 18, 2007, DRR specified via email that the 15,000 Liquid Filled Notebooks needed to contain a back cover that was glossy on both sides. That same day, Hirsch USA informed Hirsch HK of the specification. Attached as Exhibit 3, is a true and correct copy of the April 18, 2007 email from Hirsch USA to Hirsch HK informing it of DRR's specification.
9. On April 19, 2007, Hirsch HK expressly agreed via email to print back covers that were glossy on both sides. Attached as Exhibit 4, is a true and correct copy of the April 19, 2007 email from Hirsch HK to Hirsch USA agreeing to print the back covers of the Liquid Filled Notebooks glossy on both sides.
10. On May 16, 2007, Hirsch USA provided Hirsch HK with DRR's Illinois shipment address, where the Liquid Filled Notebooks were to be shipped. Attached as Exhibit 5 is

a true and correct copy of the email from Hirsch USA to Hirsch HK providing it with the Illinois shipment address.

11. Hirsch HK further knew that all 15,000 of DRR's Liquid Filled Notebooks were being shipped to the United States because Hirsch HK had imprinted on them the United States address of the end user, one of DRR's customers.
12. On May 23, 2007, Hirsch HK confirmed that the liquid filled notebooks were shipped to Schenker and would fly to Illinois via a flight on May 24, 2007. Hirsch HK provided Hirsch USA with a customs invoice, packing list and booking form containing DRR agent's Illinois address. Attached as Exhibit 6 is a true and correct copy of the May 23, 2007 email from Hirsch HK to Hirsch USA with attachments.

I declare under penalty of perjury under the laws of the State of Illinois that the foregoing is true and correct. Executed this 9th day of June, 2008, at Edgewater, New Jersey.

Subject: Pentasa Notebook Changes
Attachments: Front-Inside-Cover-4-18-07.jpg

Importance: High

Dear Christina,

We need the following changes to be made:

1-FRONT COVER- is OK on PVC with the floaters.

2-INSIDE FRONT COVER- remove the imprint on the PVC vinyl (the customer is not satisfied with it). Leave this side blank with the white vinyl. This artwork must now be printed on a separate cardboard insert after the front cover and before the notebook paper. This will now be a new page 2. Imprint the artwork on the one side, while the other side can be blank. This will give it a clearer, higher quality imprint. Please adjust the artwork correctly and that nothing gets cut-off. Please see picture attached.

3-BACK INSIDE COVER- the back inside cover seems is imprinted on uncoated/unglossy paper. It needs to be printed on the glossy/coated cardboard just like the back cover itself. Both the inside back cover and the back cover must be COATED/GLOSSY. The pockets are OK.

4-BACK COVER- is OK -please remember to print on coated cardboard.

We just need to see pictures of the changes above notebook. PLEASE GET THEM DONE ASAP and LET ME KNOW WHEN IT WILL BE DONE.
